## 3. Previous Minutes:

[M3 General Meeting 12:07:23.docx](#)

## 4. Marketing Update

- GIAG Template has been created in like a minute so slay. Aliaha has a whole schedule so has it all in control. Only issue? Alisha is not an experienced video editor (fair neither I am) so can anyone help? GENERAL UNDERSTANDING that this welcome video might take abit longer. So be nice.
- The marketing schedule is all the way up to BOSWELL including a theme.

- Freshers fair **WHICH IS ON THE 22ND OF SEPTEMBER AND NOT AUGUST OBVIOUSLY** - already researched options for t-shirts and they could be ordered within a week - James B has curated a budget that should be big enough to cover them! (good, I have no money).
- Leaflets for the welcomes fair are also underway but need equalities input to decide which info will be included

## 5. Updates on **T H E R O O M S**

- Room Bookings - not yet finished as still waiting to hear back about one specific room
- Room booking meeting will happen later this meet to formalize things
- Well done on getting through the whole process itself as it's been stressful AF. Also Ken called Megan a bitch. I'm certain she deserved it (I don't know who she is

## 6. **BOSWELL Update**

- Godfrey has a big ol' document on every boswell detail that you should all look at - [BOSW23 Deets](#)
- Hoping to meet STA soon to agree on ticket links and other things they need to be involved in.
- All of the unfilled sections on the document are being worked on ASAP so don't worry.
- Godfrey also ran us through his decision making around Compares and Pyro and the running order. It all sounded fair - trust us.
- Godfrey also undermined how goddamn long it took to create this running order according to Aayliah

## 7. **Social Update**

- Ayesha would like some more info in the budget that would be available for Boswell affers
- Has begun flirting with various venues for sponsorship - Brass Pig and Lizard lounge the earliest suitors. (I love being the Bachelor)

## 8. **Outreach Update**

- Potential link up with Hindu Soc - positive news for those of an asian background within the society - generally linking up with societies like origami and blues society - sounds fun.
- TAL Fest - something to do with Hindu Soc - have asked A Cappella to engage in the event. But it's for charity so Aayliah refuses to be

involved/shot herself in the foot asking to be paid so Jess will take over (Goldman Sachs has changed her).

- A new connection with Taylor swift society has been uncovered by jess which will be utilized

## **9. AOB**

- Ken has completed the feedback from - awaiting clearance for it to be released...which makes it sound more like a new chemical weapon than a feedback form.
